Prepaid Collect Service is available for use by individuals who receive collect calls from inmates in Confinement Institutions. Once an account is established, all collect calls from the facility to the telephone number associated with the prepaid collect account are automatically processed as prepaid collect. If the payment into the account is provided via credit card, credit verification procedures are carried out under the terms specified in Section 2 of this tariff. Deposits to the account are paid to and handled by the Company via arrangement with a vendor.

Payments will be accepted with a \$50.00 payment maximum. Initial and additional payments into the account may be made by cashier’s check, money order, credit card, debit card, electronic checking or Western Union. Transaction fees will apply for credit card and check by phone transactions. If payment is made in cash via kiosk, payments will be accepted with a \$100.00 payment maximum. All payments will be subject to applicable taxes.

The End User may request a refund of the available balance in their Prepaid Collect Service account either by written request to the Company or by contacting the Company at its toll free telephone number once the End User verifies certain account information.
